REISSUE

PAZh REPORTS KAPITAN'S VIEWS ON

- 1) RAS'S GOVERNMENT,
- 2) USSR'S CONDITIONS FOR THE POLISH-SOVIET BORDER

(1944)

From: NEW YORK

To: MOSCOW

No: 990[a]

24th June 1944

To VIKTOR[i].

According to PAZh's[ii] information, KAPITAN's reluctance to recognise RAS's[iv] government is explained by the fact that he is striving to compel the French to take a more liberal position with respect to the colonies. PAZh expresses his certainty that KAPITAN considers the USSR's conditions for the Polish-Soviet border to be acceptable and that he will try to win MIKOŁAJCZYK over to a more tractable position.
